#### AFC Promotes Community Service

The Broward College chapter of the Association of Florida Colleges and the Broward College peer advocate program, Connect2Complete, boxed up care packages for Soldiers on August 21st at North campus. The two groups partnered up with the America's Moms for soldiers and collected donations for American Soldiers, Marines and Airmen serving in Afghanistan.

Students and employees also wrote letters to the troops to include in the care packages. America's Moms for Soldiers sends monthly care packages to troops who do not receive mail. The students also signed a large banner with personal messages of thanks, encouragement and support for the troops. This is the third donation drive and packing event that the Broward College AFC has held for their "Support the Troops" service project.

Thank you to all the generous Broward College employees who donated the many needed items that were sent to some of the more than 60,000 troops that remains in Afghanistan. Many of the servicemen and women that receive packages are assigned to Forward Operating Bases or Outposts where they do not have access to basic items such as snacks, hygiene supplies, personal health items, and treats. With all your help we are able to Support Our Troops!
